November is Native American Heritage Month.

This is a time to honor the history, culture, and contributions of Native Americans and Alaska Natives

- The theme for 2025 is "Storytelling," focusing on both untold stories and stories that need to be told.

Native American history is literally our history – the myths, the misconceptions, and the misappropriations, as well as the cultural contributions that were integral in the creation of the USA.

- Watch our Facebook page, Unity Spiritual Center of Lansing, for historical insights about the impact of Native Americans on our lives.

**A Sacred Exchange –
The Circle of Generosity**

Sharing of tithes and love offerings with Unity is a spiritual practice of acknowledging the flow of blessings that comes with conscious giving and receiving. This is a personal, sacred activity that each person participates in in their own way.

This is not a debt we owe, but a seed we sow from a consciousness of abundance.

You are encouraged to enter into a prayerful mindset and heart-set of gratitude as a spiritual practice.
