The Circle of Generosity – A Sacred Exchange

This is not a debt we owe, but a seed we sow from a consciousness of abundance.

Unity is autonomous and fully self-funded by its congregants.

Sharing of tithes and love offerings with Unity is a spiritual practice of acknowledging the flow of blessings that comes with conscious giving and receiving. This is a personal, sacred activity in which each person participates in their own way.

You are encouraged to enter into a prayerful mindset of gratitude and abundance as a spiritual practice whenever you are making a love offering.

If you are donating by credit card, use the QR Code to the right to link to PayPal.
